> shortly, is bringing out several steamers in pieces, which are destined for Nicolaivsk, the chief town of the Primorek, on the mouth of the Amer. We believe that in all ton such steamers are expected there this year, and the work of putting them together will be proceeded with at once. Some three hundred Chinese workmen, boilermakers, fitters, carpenters, etc., bave been engaged here to go up to put the vessels together, at very high wages, and they are expected to leave Shanghai in a few days. The steamers are for the new Amur Muil service, which has been raised, amongst others, by Messrs Siberiakoff Shevaleff and Che Fun-tai, the millionairo Chinaman of Habaroffka, upon the ruins of the old Amur Company, whose shares were mostly held in London, and which terprise, which will draw a very large annual subsidy from the Imperial Russian Government for the carriage of the mails from St. Petersburg to Nicolaivek and Vladivostock, was to have been in working order by the first of last July, but there October, it is not likely that this year wil see any of the new vessels affoat, particular. 15 to 17 feet of water in the upper part of the Leman,—the strait between Saghalier and the mainland, -and certainly not more
